the 2nd Stalking Symposium

Ullevi, Göteborg 15th november 2007

Programme

09.00 – 14.00 **Continuence of the work shop**

Work shop:

A number of different questions will be sent to all participants. The questions will focus on the climate in the society, the process of normalisation of the victim, equality in the society and the effects that it will bring to the work with victims and offenders.

From Bremen, further information from Mrs. Piontkowski and Mrs Stadler for the prosecution service and the stalking-kit.

This third day will also contain further going scheduling and perspective of the third workshop in Leverano. Preparation of topics for the workshop in Leverano: legal surrounding conditions in the partner countries.

Every partner should present the legal fundamentals of his/her country as well as experiences. Other topics for the 3rd workshop in Leverano could be "the potential of danger defence of the police as well as the regulations of data protection in the several countries."

Welcome
